Turn Your Box Into a Truck

1. Print every page at 100% / "Actual size" (no "fit to page"). 24 pages on A4.
2. Check the 50 mm square below measures exactly 50 mm.
3. Tape the pages together using the corner marks (page order is printed on each page).
4. Stick the sheet onto clean cardboard (a delivery box works great).
5. Cut the RED lines. Score and fold the TEAL dashed lines. Glue the shaded tabs.
6. Ask a grown-up to help with the craft knife. Then play!
